SKILLS

Communication

Problem Solving

Teamwork

Time Management

I'm Akthab Bifaz, a software engineer. I have a strong love for merging design and development to produce innovative technologies, and I specialize in full stack development. I have sharpened my skills during my time at IIT while working on multiple projects using different technologies. I gain practical exposure with a variety of fresh frameworks and technologies during my internship to broaden my skill set

EDUCATION

O/L

Amal International School

Sep 2014 – Dec 2017

BSc (Hons) Computer Science

Informatics Institute of Technology

Sep 2018 – Present

EMPLOYMENT

Software Engineer Intern

BeGood Solutions, Colombo.

Nov 2021 – Nov 2022

747 Vacation Homes
